

Seymour Park Community Primary School Manifesto for Our Treescapes

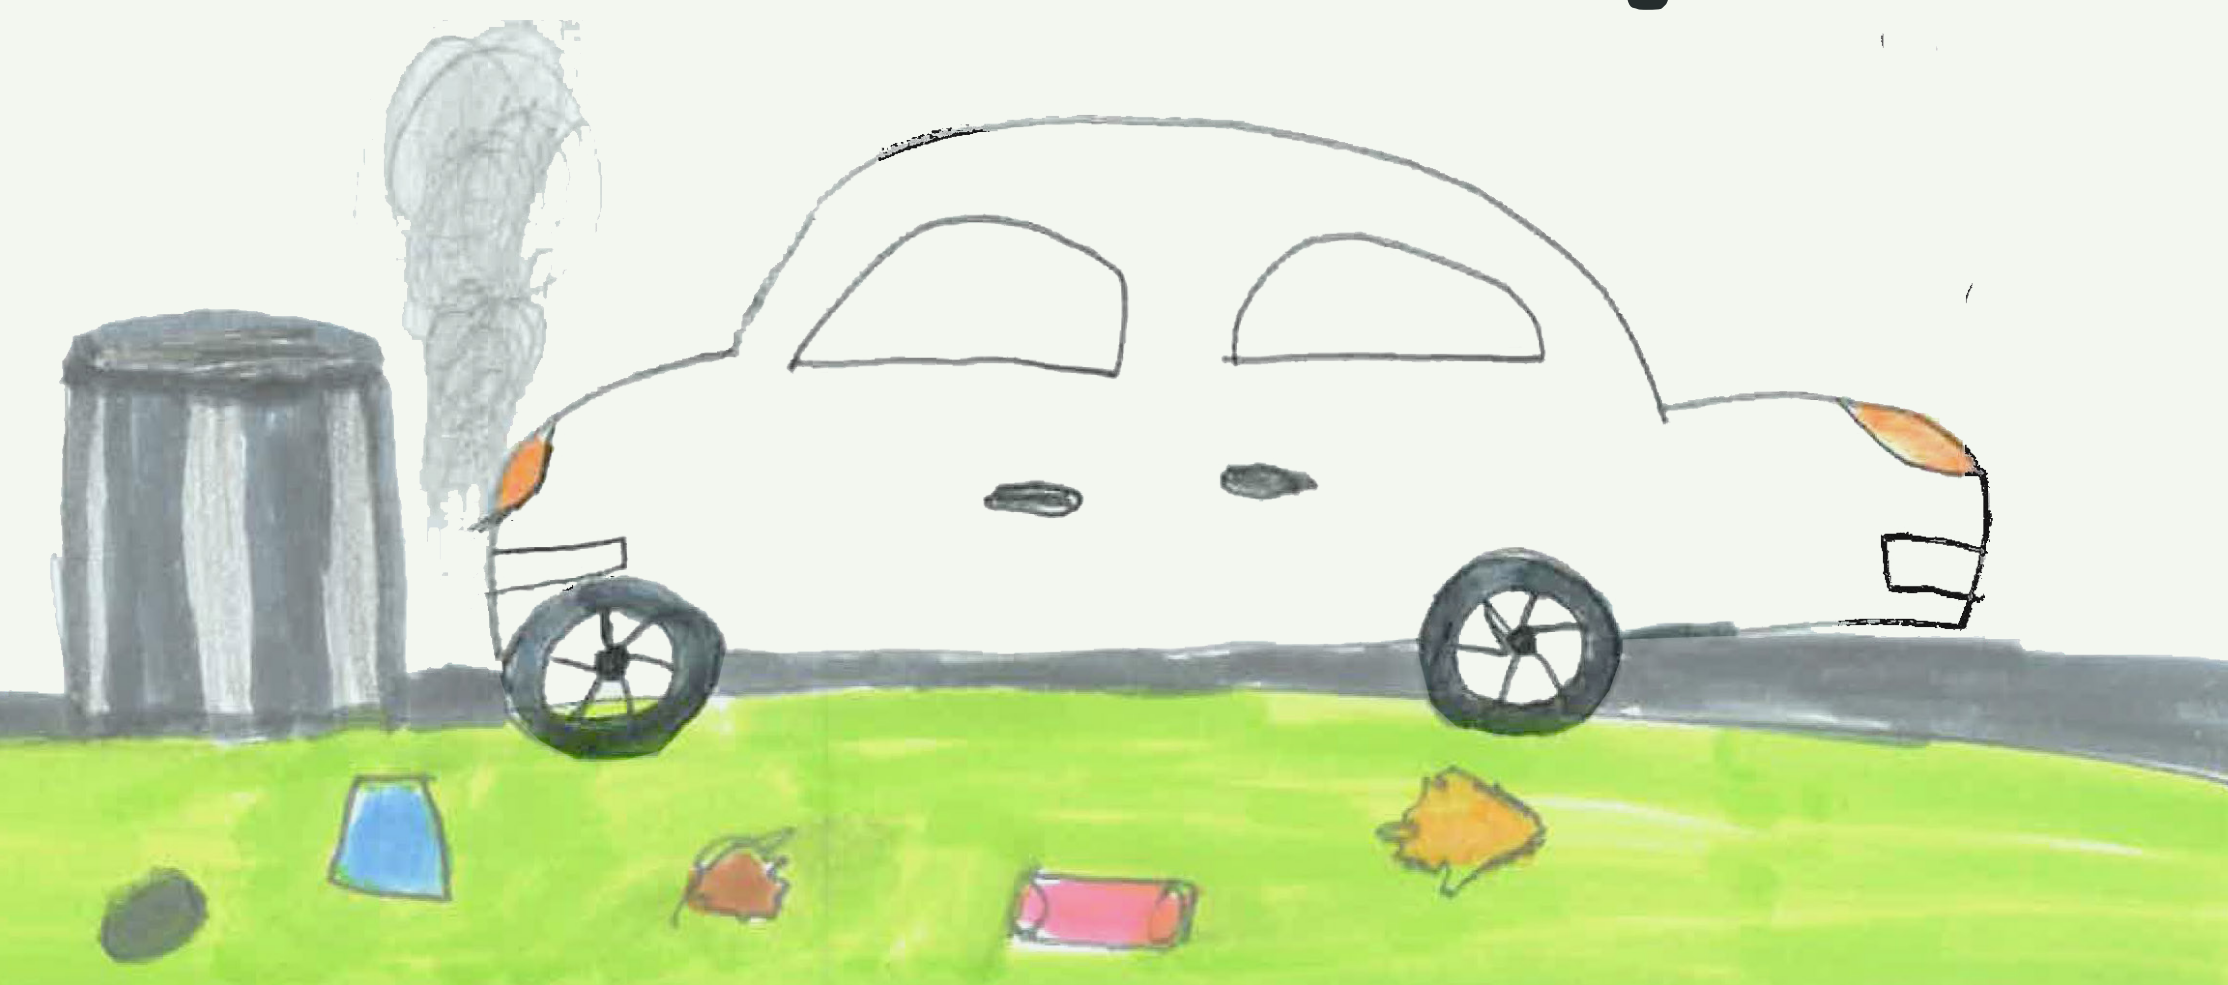

Plant more trees.

Now, let us have a future.

Stop !

Don't

drive
@
P

Get Off our turf
we're saving the

Earth

keep our air **Clean**

Don't be **mean**

Do your bit

now

It's time for
the vow

Involve **everyone**

we're together in this run

And here

Listen!
to the children

As we have our
manifesto written..

Let's go for a **WALK**

we need to talk.

Stop the **POLLUTION**.

No action is a **delusion**.

Let's **talk** about trees.

Don't forget the **BEEES**

Littering needs to go.

The **Grass** needs to show.

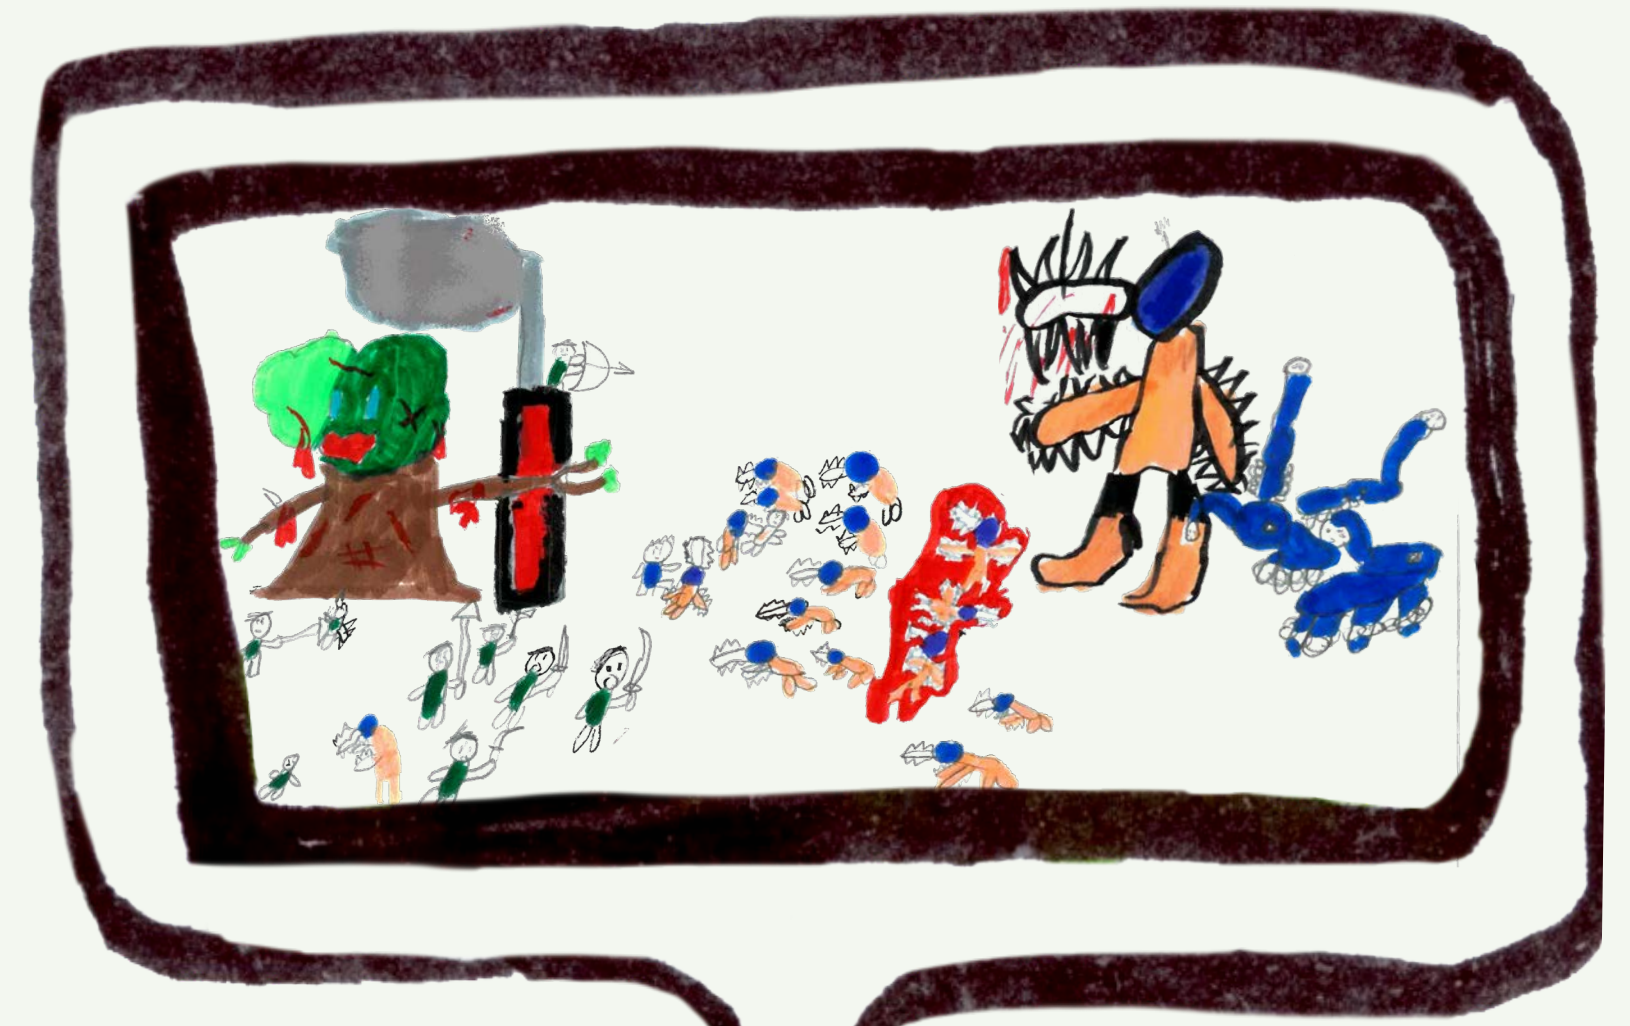

Spread **awareness**.
Ensure there's always fairness.
Give us **outdoor** lessons.
Help the pressures **lessen**.

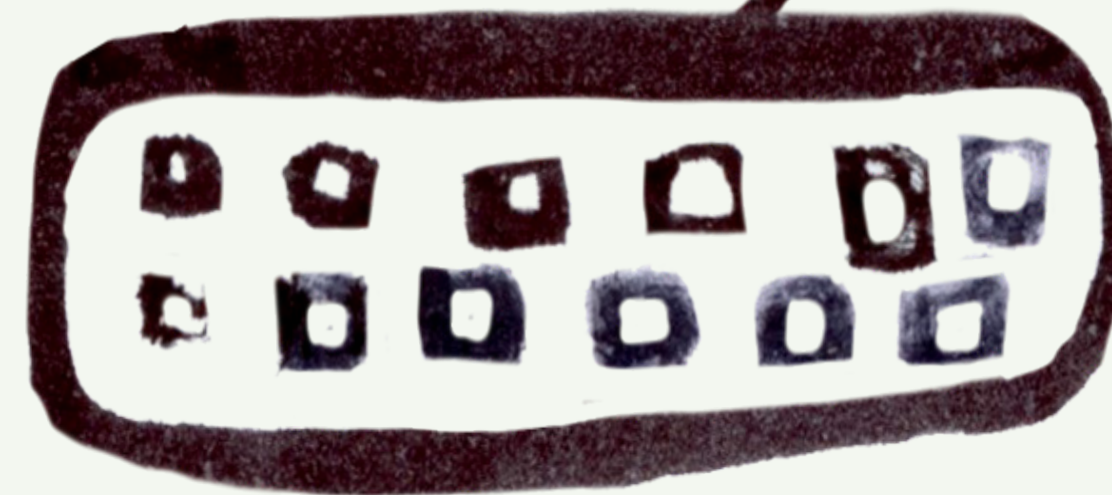

Green our playgrounds.
Let us stand on safe grounds.

Support our communities.
Offer us more greening
opportunities.

Make
educational
videos,
apps and
games

We don't
want to see

flames.

Add
environmental
messages on
billboards.

They're
reminders on
our roads

We
Still
have
Time.
